Invitation to Zoom INSIDE the Superior Court

The “Virtual” Real DUI Court in Schools Program compliments your curriculum while providing students an opportunity to take a field trip from home. Our self-run program is a two-pronged approach of educating students on the dangers of impaired driving, the inner workings in the courtroom after an arrest has been made and the roles of the the judicial branch. After the sentencing of a first time DUI offender, members of the court will make a brief presentation and then invite the students to participate in the interactive Q&A session. We will coordinate all the details with the court and provide you a secure webinar link to share with your students. We only have 30 presentations available for the 2020/2021 school year and dates are starting to go fast. Click below or call us today to reserve your spot (916) 761-2649. www.realDUICourt.com
